## INNOVATION SINCE 1908

---

SOPREMA has developed around the idea that the quality, durability and reliability of materials must match builders' ambitions and expectations. For more than 100 years, SOPREMA has been using its expertise to develop a variety of high-end products that meet or exceed all the requirements of the construction field.

---

SOPREMA est une entreprise manufacturière d'envergure internationale qui se spécialise dans la fabrication de produits d'étanchéité, d'isolation, de végétalisation et d'insonorisation pour la construction et le génie civil.
